There is no evidence whatever that RPR disapproved of  
Khrushchev back down on Cuba. On contrary RPR officials  
demonstrated genuine relief after October 28 that danger  
of war averted. Prior to October 28, regime generally  
followed Soviet line, thought it was more guarded in  
reacting to quarantine than was USSR. If regime has any  
private doubts re Soviet handling Cuban situation (which  
is not proven), they probably are that USSR unnecessarily  
produced dangerous situation by over-committing itself  
in Cuba.
